NOTES REFERENCE TO REGISTRATION

CONTINUATION. All graduate students will have to register for CONTINUATION (CTN) before you can register for any courses.

RESEARCH CREDITS. All graduate students may register for research credit hours to fulfill credits. ACES will ask for your research credit hours in tenths, e.g. 3 credit hours enter 030.

INDIVIDUAL RESEARCH (SOC 392). You must obtain permission of the instructor, complete the Independent Study Course Proposal Form and obtain the permission number from Claudette Parker. The permission number and the 4-digit call number will be necessary for registering for the course. Individual call numbers for each instructor are listed at the Web schedule.

SPECIAL READING (SOC 399). You must obtain permission of the instructor, complete the Independent Study Course Proposal Form and obtain the permission number from Claudette Parker. The permission number and the 4-digit call number are necessary for registering the course. Individual call numbers for each instructor are listed at the Web schedule.

Consent of Instructor Required**
