CARD 8:

68. As I mentioned, we are studying a sample of groups from selected Nebraska communities, in order to understand how these groups, and others like them all over the state contribute to our society. Each group that is selected will represent many other groups which we cannot study directly. We need to be sure that our sample reflects all the different kinds of groups in (NAME OF COMMUNITY). Since we cannot study all the groups in (NAME OF COMMUNITY), it is very important that we do get information from the groups we contact. If your group is chosen for further participation, would it be possible for a representative from our study to attend one meeting of your group for a short period of time?

IF YES:

What would be a convenient time for our representative to meet with your group?

[REDACTED]

Now, I would like to check again on the location of your group's meetings. (VERIFY ADDRESS GIVEN IN Q. 42, AND WRITE BELOW.)

[REDACTED]

IF "DON'T KNOW":

How could we find out more about this, and how could we contact you about setting up a meeting with your group? (WRITE ALL INFORMATION BELOW.)

[REDACTED]

69. Are there any other sources of information about your group that we could use, such as guides for members, promotional pamphlets, or other written materials?

IF YES:

How can we obtain this material? (GET EXACT INFORMATION)
