8. I am going to read you a list of some factors that may contribute to the end of an organization such as the one we are discussing. Please tell me if you think that any of them apply to the case of your organization.
   1 The goal of the organization was fulfilled and there was no further reason to meet
   2 The group lost its financial resources
   3 The group lost too many members to continue meeting
   4 The group lost some other resources, such as a place to meet or necessary equipment
   5 The national, regional or state level organization dissolved, forcing the local
group to close, too
6 Problems in the national, regional or state level organization caused the local
group to dissolve
7 The group was banned by higher authorities
8 The group joined or merged with another organization
9 More or less the same members still meet but with a different purpose or goal
10 The group could not recruit new members
11 Another group took over the activities of the organization
12 Members left the group because they had joined another similar organization
13 Members left the group because the purpose of the organization no longer
applied to them
14 Members left the organization because they moved out of the neighborhood
15 Members left the organization because they lost interest in it
16 The leader left and no one else was willing to lead the group
17 The interpersonal relations deteriorated to the extent that the group dissolved

9. Can you think of any other reasons we haven't mentioned?
_____________________________________________________________________

10. Before the group stopped meeting, was there any discussion of what could be done to
save it? Were any changes proposed for the group? What were they?
