41. As I mentioned, we are studying a sample of groups from several Nebraska communities in order to understand how these groups, and others like them, contribute to our society. Each group that is selected will represent the many other groups which we cannot study directly. Since we cannot study all the groups in (NAME OF COMMUNITY), it is important that we get information from the groups we contact. If your group is chosen for further participation, would it be possible for a representative from our study to attend one meeting of your organization for a short period of time?
   1  Yes
What would be a convenient time and place for our representative to meet with your group?

_________________________________________________________
_________________________________________________________

2 No
8 DK

How could we find out more about this, and how could we contact you about setting up a meeting with your group?
[WRITE ALL INFORMATION BELOW.]

_________________________________________________________
_________________________________________________________

42. Are there any other sources of information about your group that we could use, such as guides for members, promotional pamphlets or other written materials?
1 Yes

How can we obtain this material?
[GET EXACT INFORMATION]

_________________________________________________________

2 No

We want to thank you for participating in this important project. If you are interested, we would be happy to send you a summary of our results sometime early next year.

[TURN PAGE AND COMPLETE POST-INTERVIEW RATINGS.]
